Education

April - October 2019

Bootcamp Program in Full Stack Web Development
University of Pennsylvania, Philadelphia, PA

January 2018 - December 2019

Master of Science in Information Technology
Endicott College, Beverly, MA GPA 4.00/4.00

Nov 2014 – Dec 2017

Language School, Boston, MA

Experience

Web Developer Intern (Remote) – Olcademy, India

Sep – Dec 2019

Developed web pages from scratch using CSS, HTML, JavaScript, and PHP to enhance functionality and user experience, also created responsive and efficient interfaces. Worked closely with Back-End Developers to pull information from database. Participated in "stand-up" meetings daily. Contributed to website consistency by coding and giving feedback.

Web Developer Apprentice – University of Pennsylvania

Apr – Oct 2019

Developed skills in HTML, CSS, JavaScript, Java, React, SQL, NoSQL, MVC Architecture, and Responsive Web Design. Applied these skills with several individuals and group projects as followed below relative projects section.

Food Scientist and OSHA Specialist - BEDAS, Istanbul, Turkey

Aug 2013 – Oct 2014

Developed HACCP related procedures and HACCP handbooks. Implemented those procedures and monitored related employees to make sure they complied. Inspected and monitored subcontractor companies and their employees. Gave OSHA and HACCP training.
